

In today's healthcare environment you hear a lot of talk about quality of service. No doubt, you've discovered in most cases that it's just talk. Not so with Medstar Laboratory Inc. **PERSONAL PLUS** service.

Medstar Laboratory Inc. offers personalized laboratory and customer service for your medical facility

- ▶ Precision and accuracy of test results are our top priority.
- ▶ We submit most lab results back to your clinic within 24 hours. If you need results before then, we can make arrangements to do so.
- ▶ Results can be obtained via fax, internet, and/or hand delivered by our employees.
- ▶ We provide all the supplies and containers for collection and transportation of specimens.
- ▶ We take the task of billing third party insurance, so that you can concentrate on what you do best ...treating patients.

We invite you to compare our PERSONAL PLUS service and prices to your current vendors, and decide for yourself that Medstar Laboratory Inc. will outcompete any other laboratory in price and customer service.

Medstar Laboratory, Inc. is a long-standing member and participant in proficiency testing programs of the College of American Pathologists and the American Association of Bioanalysts. We are also CLIA certified (Clinical Laboratory Improvement Amendments).
